# The **MAYOR'S** CORNER

Mayor Mary M. Dennis

Dear Residents,

Budget talks and reviews are currently underway between staff and City Council. Budgets, like cities, are living things that can adjust to new information and ideas each year. In the current 2017/18 budget, the General Fund's number one source of revenue is taxes at 73%. But the main source of taxes is not property taxes. The main source of taxes for the city is sales tax. The City is very blessed to have a great commercial business mix within its community. The sales tax generated from these businesses account for the largest revenue stream for the City's General Fund. Of the 8.25% sales tax paid at the registers, 6.25% goes to the State, 1% comes to the General Fund, 0.5% comes to the General Fund to provide property tax relief and the last 0.5% goes to the Live Oak Economic Development Corporation.

We hope that you will join us during these public proceedings to get a better understanding of the budget process and a look at the presentations from each city department. The dates and times of the budget meetings will be listed on the city's website.

With school about to start, neighborhood sidewalks and streets will be flooded with families excited about the new school year. We ask that you please be patient and cautious while driving around or near school buses and crosswalks at both Ed Franz and Crestview Elementary schools. The safety of our residents, as always, is a priority. I welcome back the principals, teachers, students and faculty for a safe and successful, fun school year. Live Oak has so much to be proud of, and to build on for bright futures of our children.

Finally, mark your calendars for the upcoming "Shin Dig on Shin Oak" on September 15th. Shin Dig will have local food vendors, midway games, carnival rides, activities for the kids in the Kid Zone followed by a concert featuring the "Spazmatics". Check the "future events" page, "City Calendars" or our Facebook page for posted times! You may reach me at 210-792-7168 and remember, the best is yet to come!

## Memorial Day Parade

We would like to thank the parade participants, Honor Guard, volunteers and the residents that came out to honor our fallen military heroes. A special thanks to Nicole Vasquez and her family as this year's Honorary Grand Marshal. Nicole's husband, Mark Vasquez, gave his life in Fallujah, Iraq while serving the U.S. Army in 2003. We sincerely thank Nicole and the many Gold Star families that have sacrificed so much for our freedoms.

## Jr. Fishing Day

Hundreds of children and adults came out to Live Oak's annual Jr. Fishing Day at the City Park's lakeside to compete for the "big catch of the day!" This year's winner was Jailen McNeese, 10 years old 5th grade, Judson ISD, 1.4 pounds. Jailen was awarded the winning trophy to commemorate his big catch! A big part of the success of this day is due to the Parks and Recreation Commissioners, Texas Parks and Wildlife, Raising Canes, Dairy Queen and the volunteers who sacrificed their Saturday morning for this community event and fun around the lake. A big thank you to The Kiwanis Club for sponsoring the prizes and their continued support each year.

## Community Shred Day & Food Drive

In April, Randolph Brooks Federal Credit Union provided Live Oak and the surrounding area residents with the opportunity to dispose of their confidential information in a secure and environmentally friendly way! The drop-off lines were long but moved quickly with the assistance of the Live Oak Firefighters and Councilman Ed Cimics. Thanks to Elizabeth Kuhlmann with RBCU for sponsoring the event and always being a great community partner with Live Oak. A total of 16,640 lbs. of paper was collected and 200 cans of food was donated benefitting Randolph Area Christian Assistance Program (RACAP).

## National Police Week & Memorial

Many were in attendance at this year's Police Memorial Ceremony to pay homage to our fallen officers. This year's annual Candlelight vigil was hosted by the Selma Police Department, Chief Dave Padula, Cpl. Stefanie Casias, City Administrator Johnny Casias and Mayor Tom Daly along with Live Oak Police Department, LOPD Chief Dan Pue, Live Oak Mayor Mary M. Dennis and Councilman Ed Cimics. Thanks to everyone in attendance and to the City of Selma for being a great host.

## Live Oak Celebrates Redesigned Disc Golf Course

Individuals have been enjoying Live Oak's Disc Golf Course for years, but now disc golf athletes from all over can now enjoy two full courses. On Sunday, May 27th, Mayor, City Council members, EDC and Parks & Recreation Board members, course designer, John Houck and thirty plus disc golf players joined to celebrate the newly designed course with a ribbon cutting ceremony. The course was expanded after noticing that there was "an opportunity to really do something unique in Live Oak," said Mayor Dennis. The 8,318 feet course now travels throughout our City Park system on the hillside and lakeside. Live Oak is honored to be home to the well-designed course and congratulates everyone involved in coordinating the event.

## DRUG Take Back

A total of 442 pounds of unwanted drugs were collected and properly destroyed during the DEA's "Take Back Drug" event. A big

thank you to DEA Agent Rob Petravage and his daughter, Courteney for their assistance alongside members of LOCAP. In 2017, a total of 912,305 pounds of unused drugs were collected across the nation. We would like to thank everyone who utilized the service here in Live Oak and across the U.S. in making this program a nationwide success.

# Leos Runs BOSTON MARATHON for a Cause

Longtime resident, Fernando Leos recently checked one of his “bucket list” items off the list by running the prestigious 2018 122nd Boston Marathon! This year’s marathon was a rainy and cold day but nothing stopped Leos from the day’s event including his biggest support system, his wife, Paula and their daughter which also resides in the Boston area. You may have seen Leos running through the neighborhoods of Live Oak for either a leisure run or for a local competition but the serious training began a few years ago after qualifying for the marathon. Leos was given the opportunity to run as a race ambassador for Team “Wake-Up Narcolepsy” (WUN) and raised \$10,516.00 for the cause. Throughout Leos’ life, running was a huge part of his daily routine. His love of running began in middle school, continued during his 24 year military career and now into his retirement in 1994. At 67 years young, Leos can be found sporting his signature red, white and blue tank and running shorts at 5K and 10K events around Live Oak and the surrounding area. Before the Boston Marathon, he completed the Randolph AFB Half Marathon in less than two hours.

Mr. Leos chose to represent WUN because of his own sleeping disorder battle. “I feel that Narcolepsy is a true disability and the money raised for research is very important” Leos said. “Narcolepsy affects an estimated 1 in 2,000 people in the U.S.” Representing WUN and running the race was an honor while also helping in the research for such a great cause. During the last 1.2 miles of the marathon, Leos dedicated his run in memory of his niece, Christina Kaup. The City proudly sponsored Mr. Leos during his once-in-a-lifetime endeavor and look forward to seeing him and his wife daily while running or biking as they utilize City Hall for their traditional pit stop for water. Congratulations Mr. Leos!  
Keep on running!

# How Secure Is Your Home?

## Home Security Survey

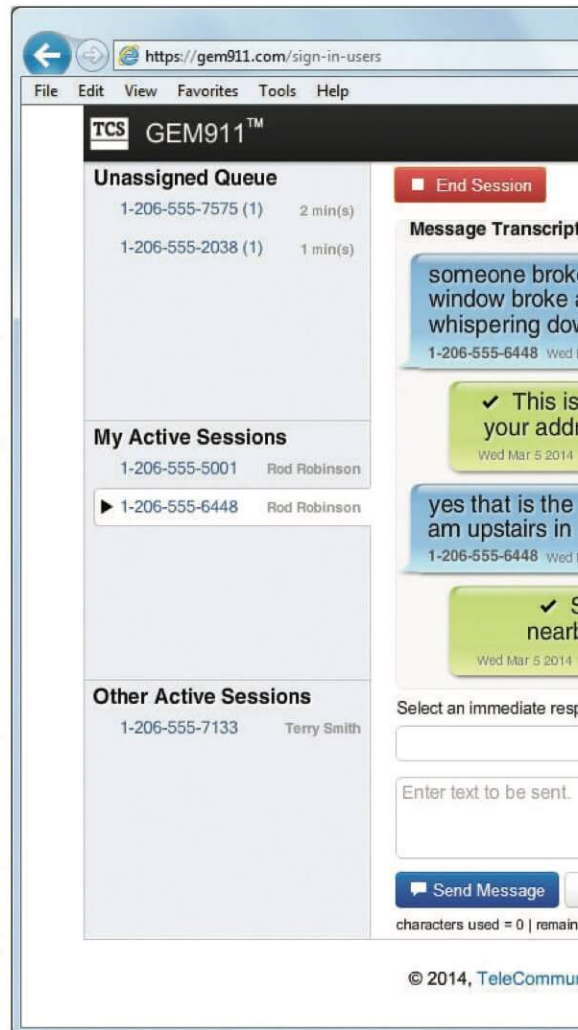

The Live Oak Police Department recently sent three officers to a Texas Crime Prevention Course. All three successfully completed the course and can perform a home security survey at your residence. A home security survey is beneficial for several reasons. First of all, the LOPD offers this service at no charge, homeowners have the peace of mind that they have properly secured their home and most insurance companies offer a discount on premiums for people who have taken the necessary steps and successfully complete the requirements. Simply call the department to schedule a survey - day, evening and weekend hours are available. An officer who is certified to perform the crime prevention inspection will arrive and inspect your home. The officer will be looking at deadbolt locks, strike plates, windows, secondary locking devices and lighting. Many homes already comply with the set standards. If your home does not, the officer will recommend the necessary changes and upgrades that are required. You may be surprised that if changes are required, they can be easily completed by the homeowner at minimal cost. Once you have completed this, the officer will return to re-inspect your home. Once the survey is complete the officer will provide the homeowner with documentation to provide to the insurance company allowing a price deduction.

To schedule a home security survey, please contact the police department main number at 210-945-1700 or Lt. Matt Malone at 210-945-1732 or [mmalone@liveoaktx.net](mailto:mmalone@liveoaktx.net). The department has offered this service to our citizens for years, but with the additional officers now certified in this program, we have become more flexible with the days and hours to perform this service. Remember safety and security is a strong partnership between the police and the community. Help us keep Live Oak a safe place to work, live and play.

## What you need to know about 911

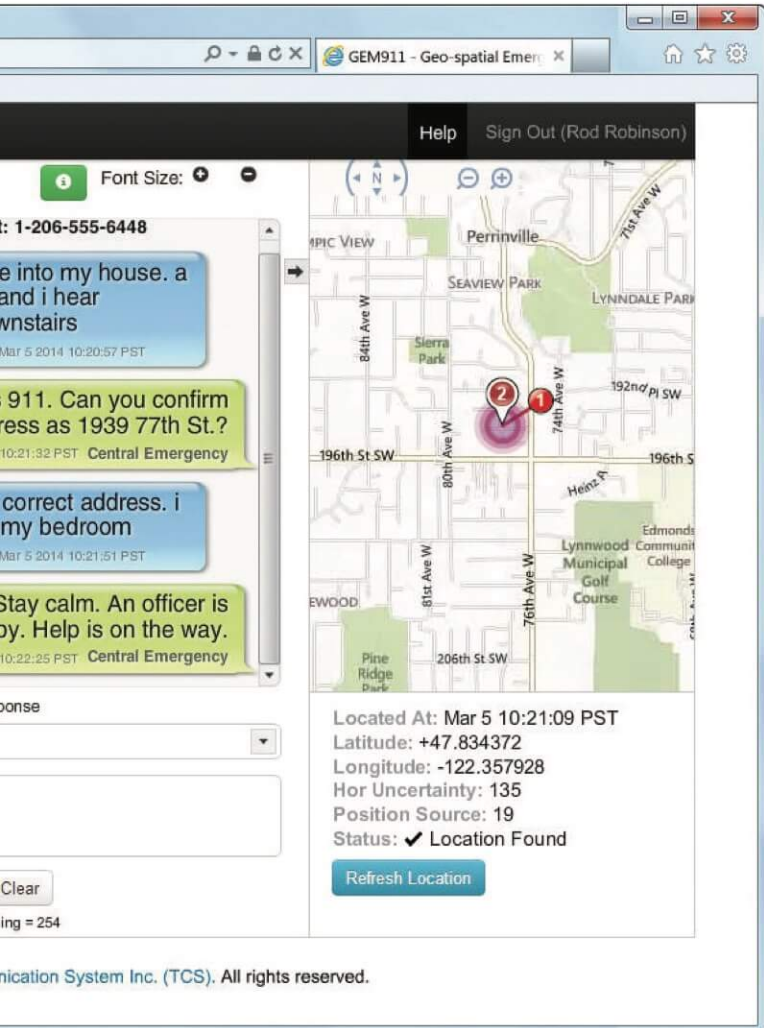

Did you know that Live Oak E-911 Communications Center now has Text-to-911 services available? Live Oak residents now have the ability to text an emergency to 911 call takers from a mobile phone or device as an alternative to placing a phone call. To use

the system, simply address the message to 911 and enter the emergency in the body of the text, making sure to include your exact location and nature of your emergency because the call takers are unable to see the location when using the text system. Dispatchers need as much information as possible to send help your way. If you're in an area that doesn't support the text-to-911 system, you will receive a "bounce-back" text. We do stress, however, that the Text-to-911 System does not replace regular 911 calls but should be thought of only as a last resort, in the event that you can't speak. People who are hard of hearing, deaf, or speech-impaired should always use TTY for calling when possible. 911 operators are always ready to receive your emergency calls 24-7. Live Oak dispatches emergency calls for the city of Selma Fire, EMS and Police, Judson ISD Police and Live Oak's emergency services and have an average of 18,580 911 calls a year. In 2017, dispatchers received 16,136 calls with 2,444 calls being prank calls or hang-ups. If someone dials 911 by accident, first reaction usually is to hang up. We have all accidentally dialed 911 because of our phones being in a pocket, purse or a child playing with

an unlocked activated or with a deactivated cell phone. If a deactivated cell phone has a charge, children will still be able to connect with the 911 emergency system. If you accidentally call 911, please do not hang up! When the Dispatcher answers, let them know you have misdialed and be prepared to confirm your phone number and location. It's a policy

to callback every 911 “hang-up” received to ensure the callers safety. By staying on the line, it saves us precious time calling your number back, whether at your home, a business, a hotel, or a cell phone.

**To learn more about the Text-to-911 System, please call the non-emergency number at 210-653-0033 or visit [www.nena.org/?NG911\\_project](http://www.nena.org/?NG911_project)**

## “Goodie” for You!

In May, LOCAP, Live Oak Citizens Assisting Police, honored the City of Live Oak Police Department first responders during National Law Enforcement Week. During the week of May 13th, the blue ribbons you saw along Shin Oak Drive between the Police and Fire departments were tied by LOCAP volunteers to commemorate National Police Week, and to honor fallen officers.

**THANK YOU**  
#POLICEWEEK

Members of LOCAP also prepared individual “goodie” bags for all police officers and civilian staff, Animal Control officers and dispatchers. The goodie bags included pretzels, cookies, granola bars, peanuts, chocolates, fruit snacks, mints, and chewing gum, plus a hand-written Thank You note. LOCAP hopes to make this an annual event, with the bags becoming more personalized as funds become available. This is a simple way of thanking our law enforcement officers for being out in the community every day, making it safe for you and me. So, when you see one of our Police Officers or Animal Control Officers out and about, give them a wave! It MIGHT be the best thing that happens to them that day!

LOCAP members participate in many community activities and events, and hold several fundraisers throughout the year.

Funds raised are used to assist the LOPD either with necessary items not in their annual budget, or with LOPD-sponsored events such as the Citizens Police Academy or the Junior Police Academy. You may have even seen our volunteers patrolling in the Citizens on Patrol vehicle around the Forum and in community parades. Being a LOCAP volunteer is definitely rewarding and fun!

**For information, please contact the Live Oak Police Department at 210-945-1700, or email [LOCAP@LiveOakTx.Net](mailto:LOCAP@LiveOakTx.Net).**

## Kobe Teppan & Sushi Opens

April 27th was an exciting day for the Chen Family, City Officials and members of the Tri-County Chamber as they celebrated the

grand opening of the Kobe Teppan & Sushi Restaurant located at 7824 Pat Booker Road with a ribbon cutting. For over 30 years, the Chen Family have owned and operated authentic Japanese restaurants from Florida to Arizona, and now in Texas. Their successful Kobe Teppan & Sushi in San Marcos has prospered so much that they are currently moving into a larger building and will be up and running again soon. The Live Oak restaurant officially opened on April 23rd with a packed house with everyone enjoying fresh made sushi rolls of every combination and entertainment by the best Teppanyaki Master Chefs preparing a meal in front of crowds at the hibachi tables. Crowds have been wowed at the hibachi tables with the "onion volcano" or the "beating heart" with fried rice. Kobe Teppan & Sushi is a great fun place to go with family or friends for birthday events or just a date night out! Don't miss out on their "Happy Hour" specials. For more information, contact them at 210-634-9333. Welcome Chen Family to Live Oak!

## Iron Forged Body Works – New Look, New Name

On May 18th, shop owner, Xavier Gonzalez and his staff celebrated the grand opening of Iron Forged Body Works tattoo and piercing studio with a ribbon cutting ceremony hosted by the City. Gonzalez, family members, tattoo artist gathered with Mayor Mary M. Dennis, Councilman Ed Cimics, EDC Board Directors, Tri-County Chamber of Commerce Dignitaries and city staff to celebrate Mr. Gonzalez's new endeavor. Gonzalez bought the business formally known as South Paw Tattoo eighteen months prior to the grand opening offering quality work by professional tattoo artist. He made several major changes including

changing the name and then renovating the interior of the studio. We look forward to the future successes of Iron Forged Body Works. No need to RSVP, just show up!

## Celebrating San Antonio for 300 Years

During San Antonio's Tricentennial Commemorative Week, Live Oak's EDC participated in the May 5th Legacy Day by hosting a booth where visitors could learn of Live Oak's history and its contribution to the Northeast side of San Antonio. The public enjoyed family fun, food trucks, live music, children's art activities, mariachi bands, local artist artwork and a beautiful illumination of lights ceremony for the San Pedro Creek Culture Park Grand Opening. Historical information provided at the City's booth included the tale of Doc Anderson, known as the recluse "Donkey Lady," and a huge part of Texas racing history from Live Oak's Pan American Speedway. Visitors at our booth walked away with Live Oak swag give-a-ways, intriguing history of what was "then" and what Live Oak's future has in-store for the Tri-County region and hot off the press IKEA catalogs. Happy Birthday San Antonio!

## Advanced Healthcare & Rehab of Live Oak Celebrates Fiesta!

Each year Fiesta brings the sound, culture, and the taste of Mexico to San Antonio and the surrounding cities and brings out the best in everyone

involved. Advanced Healthcare and Rehab of Live Oak hosted their own Fiesta celebration on April 12th by entertaining local businesses and City staff with music, confetti, food, beads, Teresita flower crowns and their own Fiesta medals. Everyone in attendance were given a tour of the beautiful facility while enjoying the festive cheer from their staff. The City wants to thank Deborah Paolini and the entire staff from Advanced Healthcare and Rehab for their hospitality and for always being a great community partner in Live Oak.

## Buffalo Wild Wings Supports the Community

On April 18th, Live Oak's Buffalo Wild Wings and the Buffalo Wild Wings restaurants across the nation hosted fundraising events raising a collective total of \$900,000.00 benefitting over 1000 Boys and Girls Clubs across America. All proceeds raised by Live Oak's BWW went to the Boys & Girls Club located in Universal City for the Tri-County area. The national organization provides after-school programs for our local youth. The money raised by BWW will provide kids and teens an environment to learn, play, build character and learn leadership skills. Events held locally to raise money included a softball game between Buffalo Wild Wing employees from Austin to San Antonio, auctions, and a "Ghost Pepper Chile Hot Sauce" wing eating contest! Heather Carlton, General Manager for the Pat Booker location and her amazing staff were able to raise \$2,200 during the week and look forward to this event each year. The Live Oak Fire Department once again participated in the event and had two members brave the very spicy, hot "wing eating" contest. Congratulations to Buffalo Wild Wings' Mark Rymer and LOFD's Alex Akeroyd as the winners of each contest! A huge thanks to Buffalo Wild Wings-Live Oak for being a great community partner over the years.

## Let's Spring Into Action

Whether you own or rent a home it is important for a community that we do “Spring Cleaning” around and in our homes. Thinking of our neighbors and community as a whole will help motivate us to keep our homes in good condition. It’s a great perk to be able to stroll around your neighborhood throughout the day for fun or exercise and have nicely kept homes and yards to look at. It becomes a “Community Project” and can be fun and an opportunity for neighbors to lend a helping hand or exchange ideas.

Often times there will be needs, not just wants, arise within a community that can be easily solved when residents work together by offering aid, ideas or even recommendations for a good contractor. Having a clean property and home does not have to equal a large sum of money. The city of Live Oak has semi-annual collective garage sales, free of charge, to help us clean out and re-purpose our unwanted belongings while pocketing a few extra dollars. These garage sales are in April and September of each year at the residents homes and are followed by a free bulk pickup for the unwanted items. We have just passed our April garage sale and bulk pickup but can already plan for the sale and bulk pickup that will be quickly approaching in September.

We also have a monthly brush pickup for our city at no extra charge to our residents. This is a great opportunity to, on a regular basis, keep our properties looking sharp. Please visit our website and/or utilize our magazine for the regular monthly pickup dates. Please keep in mind when you place your brush and limbs out by the curb to keep the piles neat and not laying over the sidewalks and into the street. We also ask you to be careful not to cover the water meter covers. Water department crews

will not be able to access your meter reading for the month or current billing cycle. Make sure you have no vehicles parked too close to your brush/tree limb piles or the truck will not take a chance on damaging your vehicles to pick up your brush/tree limb piles. Please remember not to place your brush/tree limb piles too close to your mailbox. This will ensure your mail can be delivered without inconveniencing your mail trucks and that your mailbox will not be damaged when the piles are picked up.

Everyone wants to live in a clean happy environment. Let’s spring into action and do our part to help keep Live Oak a beautiful place to live.

# Patience is a Virtue

Every lost and found story is different, ranging from heartwarming, to humorous, to downright crazy, but the one thing they all have in common is a “yappy” ending. This pup’s story began on January 22nd when a kind resident discovered a delightful brown and white Pitbull-mix male in the parking lot of Northeast Methodist. They weren’t sure if he was trying to go in for a routine check-up or just trying to find where he could get some of the fine cuisine from the hospital cafeteria. Seeing that there was no owner looking for him in the parking lot area, the resident brought the pup to the Animal Care Facility in hopes of soon being reunited with his owner. As the days and weeks passed with no inquiries, staff then decided to give him the name “Oliver.”

Oliver soon bonded with

staff while receiving two meals a day, along with weekly visits and walks from Officer Janie Caballero. Oliver’s stay at the facility soon turned from days and weeks into months but no one gave up hope that a suitable home would be found for this fantastic, easy going, patient pup.

On April 17th, a lovely couple came in to the Animal Care Facility looking to adopt the perfect furry pet. While visiting they stumbled across Oliver. After deciding that Oliver was a perfect fit for them, they renamed him “Rico.” He was adopted and on his way to his forever home. We all learned a lesson on April 17th that “the best things in life come with patience.” Patience is a virtue! After his long wait, Rico has acclimated to his new surroundings and loves his new family.

## July is National Lost Pet Prevention Month

– Lost pet situations increase during the summer months. Help us prevent lost pets during these critical hot Texas summer months. A pet goes missing every two seconds in the U.S. and the very thought of losing a pet is unbearable for everyone.

## August 26th National Dog Day

– Celebrate National Dog Day by adopting a furry friend from the Live Oak Animal Care Facility. We have many different sizes and breeds available. You can also celebrate by giving your four-legged friend a big hug and a special treat!

# Crestview Elementary Brought out the Science in Everyone

Live Oak gives a big thumbs-up to the faculty at Crestview Elementary for creating a wonderful learning environment for students, parents and city staff during the annual Science Night event held on May 3rd. Students and parents were able to investigate, explore, and participate with hands-on activities at each learning station based on science activities. Live Oak's Police Department, Public Works, Park's Arborist, Animal Control, Fire Department, Parks & Recreation and Economic Development were on hand to demonstrate the science and math involved in everyday city job activities. Additional resources or activities available at Science Night included the human skeletal system, Bubble-ology, balloon rockets, a snake display, reuse Book Stop and everyone's favorite gooey experiment at the "Oobleck" station. We had a wonderful time this year and we look forward to participating again next year!
