## The **MAYOR'S** CORNER

Dear Residents,

2018 is already shaping up to be a fantastic year for the city of Live Oak. The Council and I are receiving fresh and innovative ideas from city staff and have already begun seeing many new economic opportunities coming to our city. The Live Oak Town Center will soon break ground and construction of the 290,000 square foot retail giant, IKEA will commence. As you may already know, Live Oak will soon be home to the only IKEA in South Texas along with an additional 480,000 square feet of anchor and shop space. The Live Oak Town Center will become one of the strongest retail destinations in South Texas for local and international shoppers. We are very humbled and honored to have such a development within our wonderful city and look forward to welcoming each and every one of the new businesses it attracts to this area.

Also with the New Year, comes many changes to each of our lives. Some of you will start a new job, buy a new home, watch your child start school for the first time or begin a wonderful life of retirement. Longtime city employee and Fire Chief, Charles Foster decided to begin his 2018 by retiring and taking time with his family. Chief Foster is a close personal friend of mine and a dedicated Live Oak employee for the last 34 years. I will hold fond memories of Chief Foster and I working side by side during city functions and the loyal service and friendship he has provided me and this community during his tenure. Chief Foster will continue to call Live Oak his home but now you will see him enjoying our city events with his family and his baby granddaughter, Sophia. The City Council and I congratulate you, Chief Foster, and wish you the very best.

Lastly, in the upcoming months, we will host our annual Easter Egg Scramble on March 24th in the main park with lots of activities for all ages and please don't forget May 5th is Election Day! The voting locations will be posted on the City's website. You are always welcome to reach any of your Council members or myself for comments, concerns or questions. You may reach me at 210-792-7168. Remember, the best is yet to come to our great city!

## Live Oak Fire Chief retiring after 34 years

### “It’s time to put my family first”

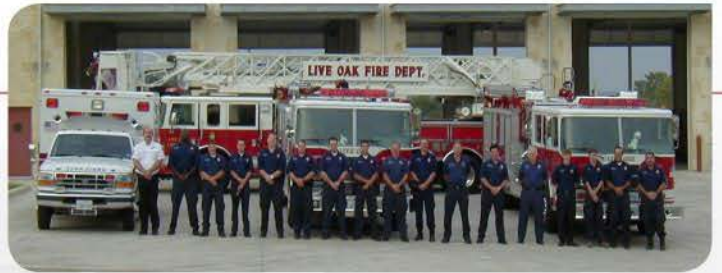

One of the first things Charles Foster says about his 34 years as a member of the Live Oak’s Fire Department is how fast time has gone by. “Time flies. It has been a good, long ride,” Foster said. Foster will turn 55 in a few months. He was promoted to chief in 2006. Before

that, he was the Assistant Chief for 17 years, but he said now is the time to hang up his gear. “I am to the point in my life where I want to start taking it easy....it’s time to put my family first,” Foster said. Chief Foster said his replacement will face a few challenges. He said one of the biggest is the need for more personnel in a growing city.

“Years ago, when I first started, we had enough people probably to stomp out the fire when we responded to a call,” Foster said. “Today, it’s a lot different. The city population has grown fast and structures have quadrupled. Growth is good and we are very grateful for the mutual aid we’ve received from our neighboring cities over the years. We have a talented group of firefighters, but averaging 1700 calls a year can be daunting. Every department needs to grow and that is always a challenge that the Fire Chief faces. The safety of our citizens and visitors is paramount.”

Chief Foster looks back on the highs and lows of his career. He said one of the best parts was keeping up with the advancements in firefighting technology. Starting the fire service as a cadet at age 13, he has watched these changes evolve over 42 years. “We used to have cotton duck protective clothing, now we have state of the art fire

resistant gear. “I can remember receiving the call to aid the county out at Bulverde Road. I hopped on the back of a 1953 Diamond Reo 6x6 converted military vehicle and hung on as we flew down Loop 1604. Our current Safety Policy won’t allow that now,” Foster said with a laugh. “As I walk out into the fire bays, I can now see much more modern fire apparatus. It is just amazing.”

His low points were calls where lives were lost. He said one of the worst was a structure fire which resulted in the city’s only fire fatality. “All deaths are hard to deal with, that’s the worst part of the job,” Foster said. His appreciation for the new talent that enters the fire department is unwavering. “These firefighters are eager and motivated to learn as much as possible to be great at their jobs. I am so proud of them all. The brothers and sisters of our profession are very close. Everyone disagrees from time to time, but the loyalty and constant friendships are steadfast. I will miss that day to day interaction.”

Scott Wayman, City Manager, says “Chief Foster will be greatly missed. He was the cohesive factor holding the department together for many years. His

leadership has been extremely valuable and I wish him well in his next endeavor.”

As his time as chief winds down, Chief Foster looks forward to the new adventures that await him in retirement. “It has been an honor and a real privilege to serve the city of Live Oak for all these years. I hope I can get used to taking it easy in retirement,” Foster said.

Chief Foster officially retired on February 28, 2018. City

Administration wish Chief Foster well and now look forward to welcoming the new Fire Chief.

# In This Family No One Fights Alone

We would like to personally thank everyone who assisted in the benefit for Sergeant Kevin McGuire. Among these wonderful people who assisted were members of LOCAP, Live Oak employees and residents, fellow officers, Bexar County officials, local and surrounding

business owners, and Project Blue. Without these gracious volunteers and generous business owners, we would not have been able to meet and exceed our "No One Fights Alone" Campaign. Volunteers from LOCAP were key when it came to selling raffle tickets and being very active at the Mod Pizza fundraiser. Police Chief Pue donated a Frederic Remington bronze statue and contacted Blue Bonnet Dance Hall to host and sell barbeque plates. Assistant Chief Hopper received several generous donations from Keith Majors of

Brush and Bay Outfitters. Mr. Majors donated a Monte Villas Lodge hunting trip and an 8 hour bay fishing trip for three in Port O'Connor along with a rifle donated at a discounted price. He was also instrumental in coordinating with "Gift and Gourmet" out of Seguin, Texas with a donated pair of Costa sunglasses, Carl Schlieper Solingen knife and Kendra Scott jewelry.

Live Oak officers pulled together with several outside agencies in contacting additional sponsors for auction items. Sergeant Jay Allen coordinated a shot gun shoot at a local gun range and Detective Jason Andrada organized the fundraiser with Mod Pizza and donated items for the raffle. Officer Jared Odom contacted Sparks Firearms and received a special price for a Springfield Armory 1911 A1 Battlefield Cross Edition with a 24KT gold engraving "Limited Edition of 500." Texas Ranger, Keith Pauska donated a rifle that was sold at auction. Bexar County District Attorney Investigator, Daryl Harris donated a custom handmade ice chest cooler and Olympia Hills Golf Course donated four rounds of golf. All of these items were auctioned off at the Blue Bonnet Palace on January 20th. We extend our thanks to Leonard and Debbie Johns for hosting the big event at their wonderful facility in Selma, Texas.

Additional items auctioned off in January included: four \$25.00 gift cards from Biff Buzby's and Quatermain's Pub held a silent auction during their grand opening celebration and donated all proceeds to the cause. Mr. Douglas Epler of Safariland donated several gift certificates for "Safariland" products, Project Blue, who assists officers that are injured or have a serious illness outside the line of duty, made a very generous cash donation personally to Sergeant McGuire at his home. Que for the Blue, who assist first responders that are injured or have a serious illness, made a cash donation to Sgt. McGuire as well. We thank everyone who donated to the cause and the countless volunteers that sold raffle tickets and barbeque plate tickets along with the people who were in attendance showing their support for Sgt. Kevin McGuire in his time of need.

# New Year, New Life

in neighboring kennels. Days and weeks would go by with no signs or inquiries from an owner. The shy pup called "Snow" never gave up hope that she would soon be found or adopted by a wonderful owner or family. Both Live Oak Animal Control Officers and Police Off. Janie Caballero worked with the shy, pup to break the shell that Snow was hiding under. She soon became a tail-wagging and curious dog again. Two months and ten days later after Snow's arrival, the Zalewski family came in to meet Snow. The Zalewski family fell immediately in love with the beautiful snowy white dog and Snow fell in love with them just the same. 2018 was the beginning of a beautiful life for Snow and her new family. Thank you Zalewski Family!

of love. We knew it wouldn't take long for these two sweet animals to be adopted and to find their fur-ever home and warm laps to enjoy. Chili was adopted by the kind woman who found her in Converse and soon became very comfortable in her new surroundings with her fur-ever family. Jake would also not stay very long with staff. He was adopted by Public Works city employee, Jason Smith. Each of the families mentioned in this article started their New Year off by exhibiting their generosity, kindness and caring hearts for three deserving pets. We thank you all from the bottom of our hearts.

## Snow

On October 19th, ACO officers received a call from dispatch for a dog running loose on Wayman Ridge. Animal Control Officers Derrick and Terry responded to the call and located a beautiful snowy white female dog. At first, officers thought she must have escaped from a nearby backyard. Upon further investigation and speaking with the surrounding residents in the area that she was located, the lost dog did not belong to any of them. The dog was not happy to see us at first, but with the assistance of the resident that had provided her with food and water, we were able to place a leash on her and placed her in our truck. Once they returned to the facility, staff began calling her "Snow." During her stay at Live Oak's facility, Snow enjoyed the friendly interaction from staff and with other four legged companions

Immediately Before  
The Parade

The annual Memorial Day Parade will take place May 26th at 10:00 a.m., with the Remembrance walk kicking off at 9:45 a.m. immediately before the parade. The city will provide flags at the start of the walk that can be dedicated to fallen loved ones, or carried in remembrance of heroes no longer with us. ## June 2nd

Main Park Lake

# Jr. Fishing Day

National Public Works Week is scheduled this year on May 20-26th! Each year the American Public Works Association celebrates all Public Works crews and departments across the nation for their hard work. This May, Live Oak will celebrate our Public Works crews for their dedication and great work throughout the year to keep our streets, parks and storm drains clean, maintained and beautiful.

## People Pets & Wildlife All Sharing Our City Parks

Spring is in the air! This means runners are running, children are playing and fishing, residents and pets are exercising and meandering through our beautiful parks. Most small municipalities are proud to have one park their citizens can enjoy during the year. Live Oak has two parks each decked out with features our citizens and guests can enjoy all year long. With ownership comes responsibility and work and it is no less true with our city parks. Many people come and go never giving a thought to where the funding for new projects and for maintaining them comes from. Our city parks crew work hard to keep our parks relevant, safe and clean for the citizens and guests using them. While we all enjoy our parks we should also each take a part of maintaining them. The next time you are enjoying one of our parks, please take the time to pick

up any trash or report unsafe conditions to the city. Remember, we share our parks with many species of wildlife that rely on them for their food and shelter. We house many species in our parks such as deer, water fowl, rabbits, turtles, foxes and yes, snakes. We respect nature and the species that rely on it to be kept clean and as natural as possible. We are thankful for the citizens that take the initiative to clean up messes and protect our wildlife by retrieving fishing hooks and tangled lines from the lakeside.

We also want to remind you that our pavilions and our clubhouse can be rented for your special events. Please call 210-653-9140, extension 2200 if you are interested in renting any of our wonderful facilities.

## Parks Crew Receive Well Deserved Recognition

In January, the hard working group of men we like to call the "Parks Crew" were recognized by Mayor Mary M. Dennis, City Council and Department Heads during the January 9th City Council meeting for their tireless efforts at every city event during 2017 with the honor of "Employee of the Quarter" for

October through December 2017. Their commitment and willingness to assist when needed during city events has been witnessed and recognized time and again. During the Halloween and Christmas events, the "Crew" was called upon to relocate the event to a different venue due to weather conditions at the last minute. Each of these men did so with a cheerful, helpful and professional performance making the event flow flawlessly. We congratulate the following crew for their hard work and dedication attention to our city parks and city sponsored events. We

extend our gratitude to the "Crew", Joel Brown, Ray Rennspies, Paul Freeman, Wayne Trammell, Kyle Weese and Terry Mayfield. Keep up the great work!

## HOT WATER HEATERS IN THE ATTIC?

With normal everyday use of any hot water heater it eventually will need to be replaced. Our department inspects new installations of hot water heaters every week. We have had a few instances where a new hot water heater had been placed in an attic. The city of Live Oak does not allow hot water heaters to be placed in attics per the amended Plumbing Code.

2015 International Plumbing Code Amended Section 502 - Water Heaters shall be prohibited from being installed in R1 and R2 attic space. If installed on second story and above

(excluding attic space) extra support must be placed to support weight of 2 (two) filled water heaters of the same size.

There are a few homes left in Live Oak that had their hot water heaters originally installed in the attic. When these hot water heaters are replaced they must be removed from the attic space according to the 2015 International Plumbing Code Amended Section 502 in which the city of Live Oak adopted January 27, 2015.

Disadvantages to having your water heater in your attic may be obvious to most but some disadvantages may have never crossed your mind. A few of the major problems in having a water heater in the attic are:

- **Leaks can cause major damage**
- **Maintenance of the unit and adjusting the temperature is more difficult in the attic**
- **Replacement of an attic unit can be more costly**

We recommend consulting with a certified plumber before attempting to relocate an attic water heater or dealing with any plumbing issues in your home. Please feel free to contact Development Services for any questions you may have about your building, renovating and replacement needs at 210-653-9140 ext. 2244.

# AACOG'S CARE Program

AACOG's CARE Program provides rides home from work in emergency situations. Taking the bus, carpooling, cycling, or walking to work is good for the air as well as your pocketbook. But what do you do when an emergency comes up and you need to get home in a hurry, but you're stuck at work without your car? To promote greener commuting

by reducing that concern, the Alamo Area Council of Governments' Certified Auto Ride in an Emergency (CARE) Program offers those who've commuted by alternative means a reimbursement of up to \$50 for a ride home from work when an emergency arises.

To receive a reimbursement up to four times per year, you must: 1) live and work within the eight-county greater San Antonio area ; 2) carpool /vanpool, take the bus, bike, or walk to work at least three times per week; and 3) keep your commuting information current on NuRide.com, the online system AACOG uses to gather commuting statistics. While it's free for individuals to use, NuRide offers not only CARE Program reimbursements, but rewards from more than 100 businesses.

# Importance of Posting Address Numbers for 911

The Live Oak Fire and Police Departments would like to emphasize the importance of having an address number visibly displayed on your home and/or on your front curb. When our public safety departments receive a 911 call to your home, address numbers become so very important in locating the proper home with the emergency. Minutes can mean the difference in a life-threatening situation, every minute is critical. In an effort to serve you better, the Fire and Police Departments is requesting that residents cooperate in posting their street numbers on their homes visible from the street. If the street numbers on the home are not illuminated by a porch or garage light, please have the numbers painted on the curb near your driveway entrance with a reflective paint. Take a moment to look at your house from the street in front of your home at night. Make sure your house numbers can be easily seen. If they can be, then we have a greater chance of possibly saving a life. The main concern of everyone is for the safety of the residents of Live Oak.

## Free Smoke Detectors!

LOFD and Home Depot have teamed up to offer FREE smoke detectors, including installation, to Live Oak residents.

With the "No Home Should Be Alone" project, LOFD believes smoke detectors has been a key factor in the prevention of fire-related deaths throughout the years. If you have questions about the program or would like to participate in the program, contact the LOFD at 210-653-9140, ext. 2198.

## Elvis Has Left the Building!

Back in October of 2017, there

was a call made to the Humane Society of Live Oak about two feral kittens hanging around the outside of Chuy's Tex-Mex Restaurant on I-35 in Selma. Their mother and siblings had been previously trapped by another rescue, leaving the pair of young kittens out to fend for themselves. With the weather getting colder, HSLO enlisted the help of some caring employees at Chuy's and was able to trap the male, naming him "Elvis," due to the restaurant's Elvis themed décor. The President of HSLO took him home to foster and rehabilitate, and the group helped to finance the medical costs to vaccinate and neuter him, in preparation of finding him a new home. We are pleased to announce that Elvis has left his foster home, and is enjoying a new home with a family friend in Houston. A big "Thank you" to our community for your continued support, as you are what helps us make rescues like this a possibility! (P.S. Elvis' brother has since been adopted, & his sister, "Pricilla," was captured a few of weeks later by separate rescue and is on her way to find her fur-ever home too!)
