Dear Residents,

Happy Holidays to the Live Oak community and gratitude to all. 2020 has been a memorable and challenging year for all of us. Through the challenges and joys, we continue to be blessed in this uniquely special place we call home.

We have been reminded that we must take time to appreciate our neighbors and our friends for all they do for our community and for those less fortunate than themselves. I have seen so many instances of neighbors assisting neighbors these past few months, it truly warms my heart. In addition to this amazing individual spirit, we also have a wonderful group of nonprofit and social services organizations in the northeast region and Bexar County. These organizations provide community-wide assistance to so many. I would like to thank these organizations and the countless individuals who quietly work behind the scenes providing support to those in crisis. Helping others and caring for neighbors are cornerstone values of our community and what keeps us "Live Oak Strong."

The holidays are also a time to look forward. To look forward to a year of building upon our accomplishments and remember what we learned from previous challenges. As we move into this next year, we will keep building on the ways we can do better. To communicate better and to engage with our citizens in new ways. To streamline more processes, like our online city council meetings and our online payment systems. I never thought I would be a Zoom expert, but we all have adjusted to what we needed to in order to keep moving forward, effectively and efficiently.

So, as we move into this holiday season, please remember those we have lost this year, those who are still in need and remember with gratitude the many blessings that remain here within our community. Remember, I am available for your questions and comments at 210-792-7168.

Happy Holidays from my family to yours and remember the best is yet to come!

*Mayor Mary M. Dennis & Council*

Seven finalist were selected for the chance to win a 2020 RTR Mustang! The lucky winner of the mustang was Nelizza Ortiz. The remaining six finalist were gifted a “Date Night” package that included a mustang for the date night from Jordan Ford. Congratulations to Nelizza Ortiz, Megan Soukup, Sergio Romero, John Danmier, Bobbie Jo Young, Patrick Salli and Dylan Delgado. Thank you Jordan Ford for being a great example to other businesses and always supporting the community! A big thanks to Mayor Nirenberg for joining Mayor Dennis as a guest speaker during the event. ## The Man with Many Hats Joseph "Joe" Painter

Most weekdays you would find Joseph "Joe" Painter running errands with his wife, attending a city meeting or even speaking at a ribbon cutting ceremony for a new business in town. On Saturdays, it was trips to Mexico to deliver food and supplies to orphanages as a mission for his church. On Sundays, well that was a day of worship for Joe and his wife Becky. All that visibility around town would end on Saturday, September 26th when Joe passed away quietly at his home surrounded by his loving family.

During his public service throughout the years for the city of Live Oak and the community, Joe had many roles. He was the Live Oak City Manager, Mayor and finally the Board President for the Economic Development Corporation (EDC). As a young man, Joe attended college in Beaverton, Oregon but soon was called to serve our nation. He served three years in the Army, which included a year of combat in Vietnam. After returning to the states, he finished his degree in Public Administration. Joe's first city job was as Assistant City Manager in Burlington, Iowa, south of Iowa City.

His public administration career would take him to numerous cities including Kennewick, Washington, where Joe became the President of the Oregon, Washington & Alaska City Management Association. During his tenure

there, he was instrumental in bringing a professional ice hockey team of the Western Hockey League to Kennewick, Washington known as the Tri-City Americans.

Before moving to Live Oak, Joe also served as the City Administrator for Watertown, Massachusetts. Once he and his family arrived in Texas, he went straight to work as Live Oak's new City Manager utilizing his talents in finance and economic development to the fullest. Three huge accomplishments that are partly accredited to Joe and his administration are the Forum Shopping Center, Live Oak's disc golf course and being part of the initial conversations with IKEA.

After finally making the decision to retire from Live Oak, Joe threw his hat into the political arena. He ran for Live Oak Mayor and won the election. Briefly coming out of retirement, he served as interim city manager for the cities of Castroville and Poteet. After these interim positions were filled, Joe involved himself with his life's passion of economic development. He applied as a volunteer to serve on the Live Oak Economic Development Corporation Board as a Citizen Director and eventually was elected and served as Board President. Joe happily served in that capacity until his death. The man with many hats along with his infectious laughter will be missed by all.

# Live Oak Memorial Garden

## A PLACE TO HONOR HISTORY

In 1998, twenty-two Live Oak residents formed the first Live Oak Lions Club and served as charter members for the life of the club. The focus and mission of the Club was always “community” involvement.

One of the first official community projects the new club did was to adopt a stretch of Judson Road as a beautification project. Members routinely picked up debris and trash along Judson Road while maintaining the grass along the curbs. Each member dedicated their weekends and some week nights by volunteering with the beautification project. The club kept busy within the community by also supporting city staff by working the concession stand selling snacks during the annual Park Appreciation Day in the City Park. This event would soon become one of their largest fundraisers over the years and the proceeds would go towards additional community projects that one can still see around the City today.

The Lions Club members decided they wanted to leave a legacy in the community. So they quickly became involved in funding projects that were needed in the park. They first renovated the concession stand, and funding a portion of the original “floating fishing pier” along with the assistance of Bass Pro Shop. Members were instrumental in funding and the installation of the first gazebo at lakeside and the initial flag pole at the Xeriscape Garden off of Toepperwein. Other community events the Club would find themselves involved in included the July 4th annual parade and the Shop Live Oak 5K.

The veteran members of the club began searching for a project to sponsor that would leave a legacy for many generations to enjoy. They soon devised a legacy project that began with one memorial plaque recognizing veterans of the Korean War that stood along the breezeway between the old police department (now public works) and City Hall. The Club members saw the need to

properly display and to honor military personnel from all past military campaigns by relocating the single plaque to a better location. The dream of a unique public spot on city grounds for the living memorial garden would finally become a reality.

After purchasing a second plaque honoring the veterans of WWII and choosing the new location, a dedication ceremony was held after the July 4th Parade in 2001 at the corner of Shin Oak and Oak Terrace in front of the fire station. On that day,

the location was dedicated and named the "Live Oak Memorial Garden." This spot has become a beautifully landscaped area for people to sit and honor our Veterans.

In 2002, the Club purchased the third Plaque to honor veterans from WWI and continued purchasing plaques of all succeeding military wars, conflicts, and campaigns. It would become a tradition each year for the Club to purchase a new plaque and to dedicate it after the parade. In 2003, the July 4th parade were no longer was hosted within the city, and future dedication ceremonies would be conducted after the annual Memorial Day parade. The plaques were designed, purchased and installed by members of the Live Oak Lions Club. Director of Public Works Mark Wagster realigned and moved the monuments along the newly constructed winding sidewalk. At the center of the sidewalk, a Texas star was etched into the concrete and are now surrounded by two etched concrete benches for visitors or walkers. The concrete benches were added in May of 2007.

Today, the campaigns honored at the site include WWI, WWII, Korean War, Vietnam, September 11th, Desert Storm, Desert Shield, Operation Enduring Freedom, Operation Iraqi Freedom, and Afghanistan & Iraq War.

The Memorial Garden is the very heartbeat and legacy the original twenty-two members of the Live Oak Lions Club wanted to leave behind. Under the guidance of the original members, and the considerable efforts of many volunteers, city staff and benefactors who have donated money, materials and lots of hard work, this beautiful garden serves as a living tribute to our Veterans. Although the beauty of the flowers and plantings around the Garden will change with the seasons, the beauty and honor of what the garden represents will not.

The memorials are visited by hundreds of Veterans and their families each year. It's a living tribute honoring the sacrifices made by our men and women of the military who have so gallantly served our nation. It is free to the public and available 365 days of the year. Visitors are always welcome! We thank the volunteers and Councilman Ed Cimics who have given countless hours to maintaining and cleaning the monuments, and placing flags along the Memorial Garden during special occasions over the years. We dedicate this issue of the Hometown News to the original twenty-two members of the Live Oak Lions Club and to the nation's veterans.

## Candle Safety

From 2007-2011 U.S. fire departments responded to an estimated 10,630 home structure fires that were started by candles. These fires caused 115 deaths, 903 injuries and \$418 million in direct property damage. Candles caused 4% of reported home fires, 5% of home fire deaths, 7% of home fire injuries, and 6% of direct property damage from home fires during this period.

### Facts and Figures

#### During the five-year period of 2007-2011:

- Roughly one-third (36%) of home candle fires started in bedrooms.
- On average, 29 home candle fires were reported per day.
- Falling asleep was a factor in 11% of the home candle fires and 37% of the associated deaths.
- More than half (56%) of home candle fires occurred when some form of combustible material was left or came too close to the candle.

### Fire Department – Thanksgiving Fire Safety Tips

- Cooking is, by far, the leading cause of fires and fire-related injuries in residential buildings.
- Unattended cooking equipment is the leading factor contributing to the ignition of larger spreading cooking fires.
- The highest incidence of cooking fires in residential buildings occurs on Thanksgiving Day, followed by Christmas Eve and Christmas Day.

### WATCH WHAT YOU HEAT!

- Stay in the kitchen when you are frying, grilling or broiling food.
- If you leave the kitchen for even a short period of time, turn off the stove.
- If you are simmering, baking, roasting or boiling food, check it regularly and use a timer to remind you that you're cooking.
- Have activities that keep kids out of the kitchen during busy time. Games, puzzles or books can keep them busy. Kids can get involved in Thanksgiving recipes that can be done outside the kitchen.

Have a Safe and Happy Thanksgiving,

## OPERATION GRINCH

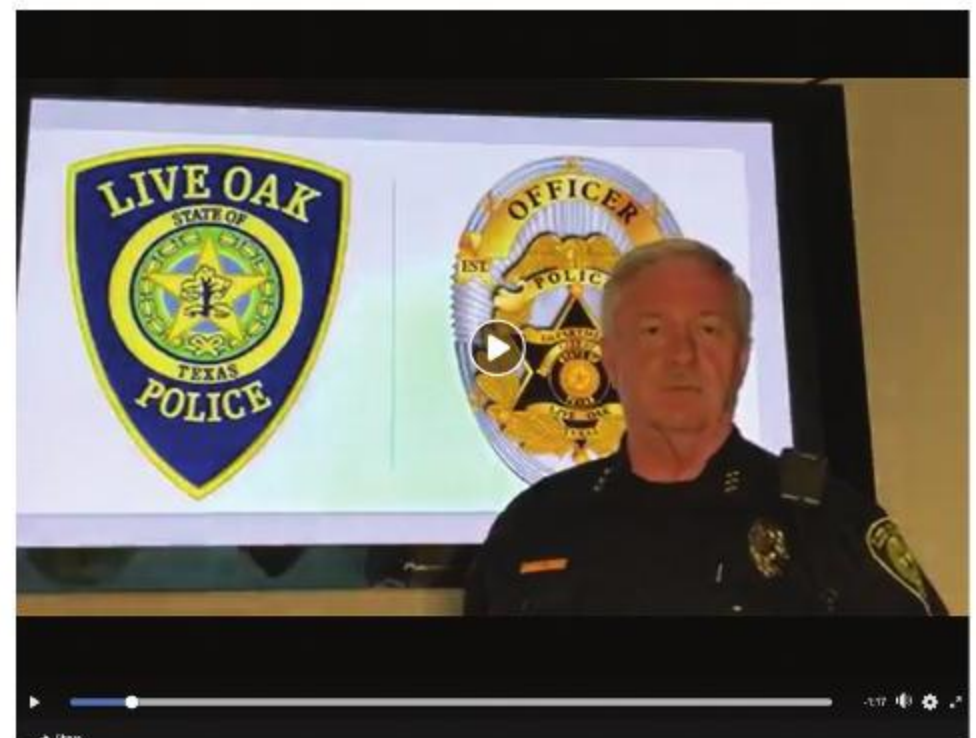

The months of November and December bring the holiday season. Family gatherings, traveling and busy schedules are the norm for many people during this time. Even though many of us can become very busy, it is important to remember that the safety of your family and home are critical during the holidays. Your Live Oak Police Officers will be working hard to protect you. By you doing your part we will make a great team.

If you are traveling, remember to have a friend or neighbor watch your home and pick up any newspapers or packages that have been delivered to your door. If possible, have interior lights on a timer to keep the appearance of activity in the home. Also, contact the Live Oak Police to place your home on the "Out of Town Watch" list. While out shopping be aware of your surroundings. Watch for suspicious behavior or activity such as people who may be watching you leave your vehicle or a business, or someone looking into parked vehicles. Be sure to secure your vehicle. Check to ensure sure your vehicle is locked and any valuables, bags or packages are out of sight. If you are out at night be sure to park your vehicle and walk in well-lit areas.

On another topic, your Police Department has created a series of short videos to help stay in touch and keep the community informed during this pandemic we are all riding out together. So far, we have produced short videos with topics such as police involved community events and how to safely gather for the 2020 National Night Out, the K-9 program, Dispatch Communication Center COVID-19 procedures, Municipal Court procedures, how to file a police report, and the DEA Drug Take Back program.

Your neighbors at the Live Oak Police Department wish you all a safe and wonderful holiday season.

# BUSINESS APPRECIATION AWARDS

To say 2020 has been a tough year for businesses is a major understatement. The COVID-19 pandemic brought a seismic shift to the way we all conducted business this year. Though it may have prevented us from having annual city events or gathering for the Annual Business Appreciation luncheon in July, it would not prevent us from awarding several Live Oak business honorees with sponsorship, anniversary and the 2020 Pillar awards. Award presentations usually take place during the luncheon each year but due to the pandemic, this year's program was revised to honor the winners and sponsors individually at their place of business.

**THE LIVE OAK ECONOMIC DEVELOPMENT CORPORATION IS PROUD TO ANNOUNCE THIS YEAR'S 2020 PILLAR AWARD WINNERS.**

## THE "2020 CORPORATE PARTNER" AWARD WENT TO METHODIST HOSPITAL NORTHEAST

## THE "2020 COMMUNITY PARTNER" WAS AWARDED TO THE DEAR AGENCY

All three recipients played an important role in the vitality of the community by providing significant contributions to the economic health of the community and to the needs of the residents during the crisis. They each demonstrated strong ethical standards, exhibited leadership with their employees and clients, and were active in the community while maintaining exceptional customer service. Each business is well deserving of the coveted title and we commend their tireless hard work and dedication to the city of Live Oak and especially to the community throughout the year.

## THE "2020 BUSINESS PARTNER" WAS AWARDED TO PRECISE NUTRITION

# BUSINESS APPRECIATION SPONSORSHIPS AWARDS

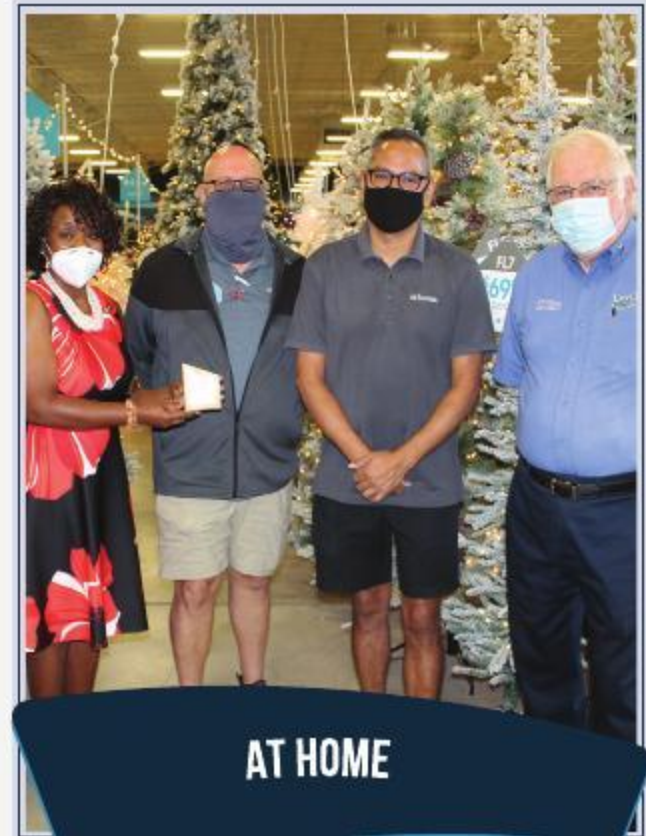

Sponsorships, community participations and event volunteerism demonstrated throughout the year are all very important in a small community. Even though Live Oak businesses were impacted by the pandemic, it did not stop their thoughtful generosity. We would like to give recognition to the following for the valued sponsorships received. Each sponsor was presented with a 2020 Sponsorship Award by members of Live Oak City Council and Economic Development Corporation Board.

## Live Oak Nutrition Making a Difference

Since their official opening date on April 4th, Collin Davis and Stefano Papoutsakis with Live Oak Nutrition have been providing premium healthy shakes and teas to the Live Oak area. The new shake place is conveniently located at 12702 Toepperwein, Ste. 105 inside I35 Plaza. Collin and Stefano’s main goal has always been to help people become healthier and to make a difference within the community. The pandemic would present them with an opportunity to do just that. They provided local healthcare heroes on the front lines with teas and shakes and have continued their generosity for the last five months. They also developed a special day for almost every type of customer you could possibly think of such as Mega Tea Monday, Teacher Tuesday, First Responder Wednesday, Local Business Thursday, and Fat Burner Friday along with a FitCrew Wednesday fitness class.

On September 18th, Live Oak Nutrition hosted a “Customer Appreciation Day” in conjunction with the official ribbon cutting ceremony. Many friends, loyal customers, family and city officials joined Collin and Stefano to finally celebrate after many months of postponements. We thank you for making a difference and welcome you both to the neighborhood.

## Marco’s Pizza

On September 29th, owners Craig & Dian Savage and General Manager Misty Teteris hosted a huge grand opening celebration that included a ribbon cutting ceremony for loyal Marco’s customers. Mayor Mary M. Dennis, City Council members, Tri-County Chamber dignitaries and city staff gathered to enjoy hot pizza during the happy celebration. We are proud to welcome them to the community and we thank everyone who attended. Stop by the nation’s fastest growing pizza franchise and order the company’s signature Ah!thentic Italian pizza today at 8350 Pat Booker Road conveniently located in the Shops at Live Oak Shopping center. Congratulations and welcome to Live Oak Marco’s Pizza!

## Code Corner

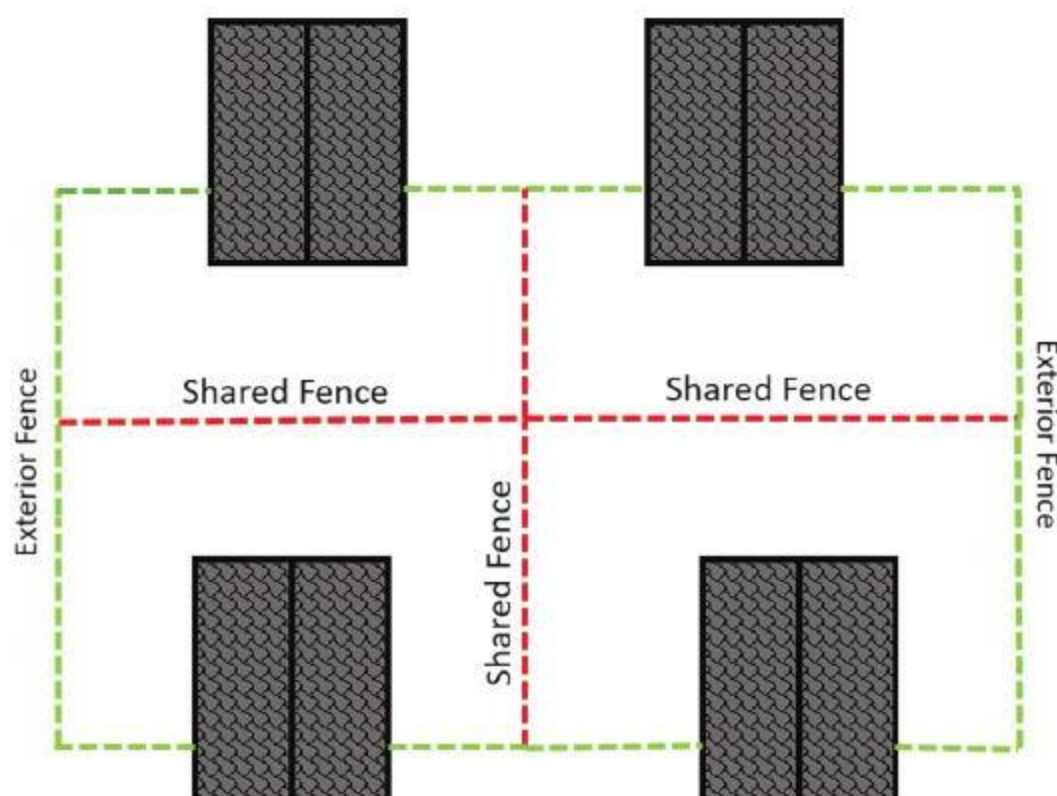

Although your Code Compliance Department has many property maintenance codes to enforce, there are a few circumstances that Code Officers cannot assist homeowners with. Here are two of those circumstances considered to be civil matters.

### Fences

Code Compliance can enforce fences in disrepair, but with certain conditions. Fences shared between neighbors, such as a side or back fence, would not be included in these conditions. For example, if you and your neighbor share a back fence that is in need of major repair this would be an issue to be handled between you and your neighbor. Code Compliance officers cannot require the fence to be repaired and/or require property owners to share repair costs. However, code enforcement can require fence repairs to any fences in need of repair that are visible from the street, right of way, or easement.

#### TIP:

With a quick discussion with your neighbor, you may end up working out a shared cost agreement for a new fence or repairs. This can make both homeowners happy and the fence will back in compliance.

#### Legend

- Code Compliance CAN enforce
- Code Compliance CANNOT enforce

### Trees

Code Compliance does not have codes for tree maintenance between properties. The codes that our office enforces reference trees that hang over the street, sidewalk, or right of way only. If your neighbors' tree becomes troublesome with overhanging limbs on your roof, fence, or your property, you can ask the property owner to cut the limbs back. If the property owner refuses to cut the limbs, Code Compliance officers cannot require the owner to cut, or pay to have cut, the portion of their tree that is hanging over onto your property.

#### TIP:

As a property owner, you have the right to trim or cut any branches, limbs, or bushes that go over your property line without permission from the neighbor. You do not have to notify the tree owner that you will be cutting the portion of tree that is hanging over onto your side of the property line. Please note, you cannot go onto the neighbor's property to cut the limbs of the tree or bushes for any situation without their permission.

We hope this provided useful information regarding fences and trees. Our code of ordinances is available at [www.LiveOakTX.net](http://www.LiveOakTX.net), where Section 302.7 describes fences and Section 302.4 describes weeds, grass and limbs. If you have any further questions about a tree or fence on your property, please contact us at 210-653-9140, ext. 2244. We look forward to your continued assistance in keeping Live Oak beautiful for your neighbors and visitors. From your friendly neighborhood code compliance office, we thank you and have a safe and warm winter!

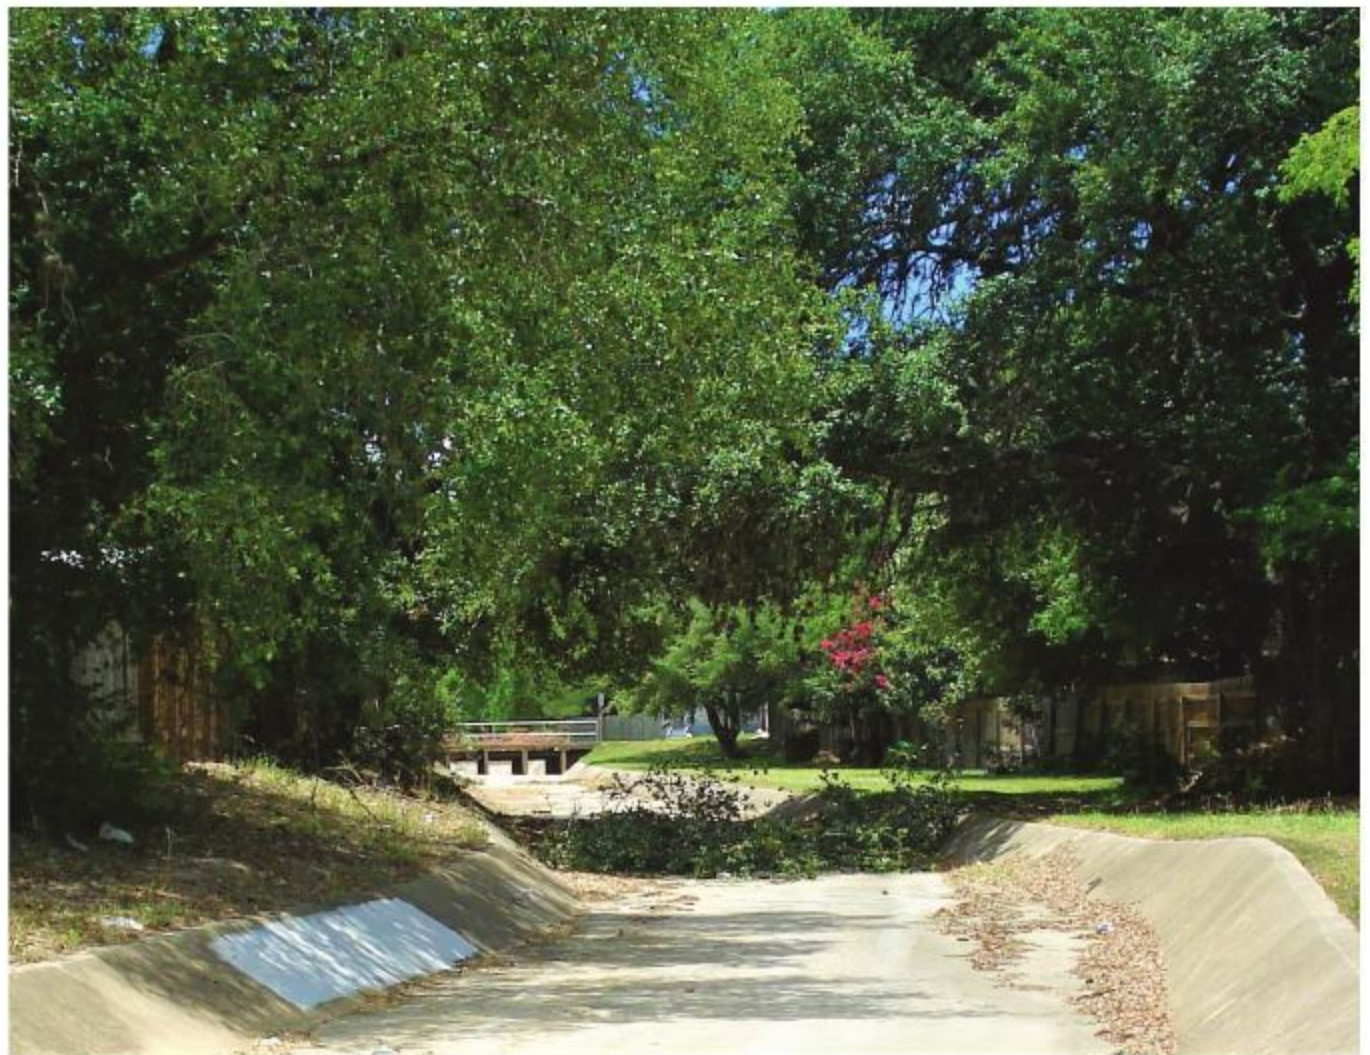

## FEMA FLOOD SAFETY TIPS

# FEMA

### Help Us Prevent Flooding in Your Neighborhood

The City of Live Oak's Utility/Storm Water department performs cleaning and maintenance activities on the drainage channels and pipes in city easements & rights-of-way in accordance with an established schedule and other standard operating procedures. Residents are encouraged to assist in maintaining the drainage in their areas by removing or reporting obstructions (such as tree limbs, leaves, debris, trash, etc.). Keeping drainage channels free of obstructions reduces flooding in the event of heavy rains. By way of city ordinance, it is illegal to dump trash, leaves, landscape debris, paint, grease, or any other material into any portion of the city's drainage system. Such dumping can have devastating impacts on water quality in addition to causing flooding. To report obstructions or illegal dumping, or for questions regarding drainage system maintenance, please contact Storm Water Maintenance at (210) 653-9140, ext. 2224.

### Permitting Requirements

Did you know that all development within the city requires a permit? Always check and fulfill permitting requirements with the Development Services department at (210) 653-9140, extension 2244, before you build on, alter, fill, or re-grade on any portion of your property and/or within any easement or right-of-way. This construction or re-grading may alter the flow of water during a flood causing damage or backup to your home or your neighbor's home. Also, contact the number above to report any suspected permitting violations.

For more information about flood safety, floodplain locations in relation to your property, please contact City Manager Scott Wayman at (210) 653-9140, extension 2261 or at [swayman@liveoaktx.net](mailto:swayman@liveoaktx.net). We will visit your property and help answer any flood related concerns you may have upon your request.

# Why Shop Live Oak?

By choosing to shop, dine and entertain locally, you and your community benefit in many ways:

**STRENGTHEN ECONOMY**

**Strengthen the Economy and LOWER TAXES** – Is there any bigger reason? A half cent of all city sales taxes are applied to buy down our residents and businesses property taxes.

**LOWER TAXES**

**BUILDS COMMUNITY**

In addition, shopping locally allows you to interact with the locals, enjoy the public space surrounding the community and help give a unique identity to the City.

**SUPPORT**

**They Support YOU** – Many of our local Live Oak businesses support our community and service events that bring joy to so many. Shopping locally is your chance to say “thank you!”
