The **MAYOR'S** Corner

Dear Residents,

As we busy ourselves with holiday festivities, New Year celebrations, and plans for 2017, it's worth taking a moment to look back on the year past. From the perspective of City Council, it's heartening to see the degree of community involvement in our city. Kudos to the incredible volunteers behind both of our Fix-Up Day events. Together, we were able to assist a total of 21 residents in need of assistance. It's great to see the community and businesses band together for goodwill throughout the year. We all benefit from their hard work and dedication in keeping Live Oak beautiful. But there are many other people contributing to this community all year round, without fanfare or acknowledgement, motivated not by personal gain, but by the desire, I think, to love where they live. To all those silent heroes, educators, Religious officials and the loving parents guiding our Live Oak youth, we thank you. They are our future and our biggest City investment.

During this holiday season, remember the brave service men and women in our armed forces and Police Officers as they fight so honorably to bring peace to parts of the world and in our own streets. And keep talking to each other. Even when we don't agree, as long as we keep talking, we're building towards a better, brighter future.

In closing, as a Council, we are supported by a wonderful and talented staff, whose skills, dedication and hard work contribute to the smooth-running of our city's infrastructure, budgets and community events. They help keep us on track all year long and I would like to extend thanks for their public service and wish them happy holidays. I invite you all to join us as we close out the year for the Shop Live Oak 5K & Polar Plunge in November and Family Fun Night in the park with Santa in December. As your Mayor, I am always available for your comments or questions at 210-792-7168. Remember, the best is yet to come!

*Mayor Mary M. Dennis
& Council*

SHINDIG.

A HUGE SUCCESS!

A HUGE THANK YOU to all the businesses that sponsored the Shop Live Oak prizes making the ShinDig a huge success!

BIKE SAFETY PROGRAM

Thanks to all the kiddos and parents that participated in the Bike Safety Program and the Firefighters from A-Shift for their assistance.

HALLOWEEN NIGHT

Fix Up Day-Zone 6...That's a Wrap!

We would like to thank all of the volunteers who participated and helped the city crews with Live Oak Fix Up Day, Zone 6. We had a record number of volunteers all sacrificing their Saturday morning in assisting nine (9) residents with properties in need of a little care.

Volunteers were split into groups and spent the morning discarding trash and debris, painting, trimming limbs and repairing fences so that the resident would no longer be in violation of our ordinances. When the volunteers were finished, they were treated to a complimentary Bar-B-Que sandwich box lunch provided by Dean Skinner, Dana Garza, Texas Roadhouse staff and Andy the Armadillo from the Texas Roadhouse and Houlihan's for dessert. It was delicious!

Thanks again to everyone who donated their time to improve this zone of the city and a special thank you to our sponsors of Zone 6, Robert and Lydia Platt for the Lowes' gift card, Donna Humphreys, owner of Biff Buzby's for the \$100 donation, Edd Leigh AC Heating & Plumbing for services and Albert Perez from Waste Management for the \$500.00 donation all of which assisted with the purchase of supplies for the event. We appreciate your efforts in helping Live Oak stay one of the most beautiful communities to call home and making this effort a huge success once again!

Family, friends, City Council, Board members and staff gathered to celebrate the grand opening of **Smoothie King located at 7939 Pat Booker!** Owners, David and Amy Briscoe moved to the San Antonio area with their six children from Youngsville, Louisiana to start their business and to be closer to immediate family. As a returning Iraq war veteran, David came home with an ambition of starting a new career to support his family outside of the U.S. military. Merging their practice of a healthy and fit lifestyle was the inspiration for choosing a Smoothie King franchise to be their "dream come true" business opportunity. Amy and David's sacrifices, hard work, and prayers led them to Live Oak and they couldn't be more excited to share it with our bustling community. They have quickly become very active in our community by participating in "Movie in the Park" this past September by giving out free smoothies and their mascot "King Cup" will be participating in the Shop Live Oak 5K "Mascot Dash" on November 19th. Stop in and say hello, taste a yummy smoothie and support a business owned by one of the Nation's Heroes. You can visit them at www.smoothieking.com or call 210-776-7666. Also, check out the FREE mobile app "My Smoothie" at the app store which includes features such as collecting points, menus and discounts just to name a few. HOLIDAY SEASON IS FIRE SEASON

Stay in the kitchen while cooking
Don't leave candles unattended
Keep your Christmas tree well watered

It still feels warm outside now but winter is just around the corner. Statistics show that more cooking is done indoors during the winter and extraordinary measures are sometimes taken to keep the family and house pets warm. As such, the Fire Department would like to offer some safety suggestions for the 2016 Holiday Season.

Electrical Safety:

- Check all cords and light bulbs for damage or loose bulbs prior to decorating the house and Christmas tree.
- Do NOT overload electrical circuits. Check the manufacturer's recommendations for the number of cords per outlet.
- If you use a multi-outlet adapter to connect several cords together, check to make sure it is circuit breaker protected and not just surge protected.

Candle Safety:

- All candles should be placed on a flat, level, sturdy surface.
- Be careful not to place anything that can burn within 12-inches of any candle and certainly do not place anything that can burn above a candle.
- Always extinguish candles when leaving the house or leaving the room to sleep.
- It is safer to use battery operated candles to minimize the candle dangers.

Cooking:

- Remain in the kitchen when cooking on the cooktop. Do not leave food cooking unattended.
- Keep all combustibles a minimum of 3 feet from all heat sources. This includes children and pets.
- Remember to keep the lid to the pan close by when cooking even if you will not need it as part of the cooking process to extinguish grease fires easily.
- If a fire starts in the oven, don't panic. Close the oven door and turn off the heat. The fire will extinguish itself.

Christmas tree and Decorations:

- Select a tree that appears healthy and doesn't have a lot of needles falling off when shaken.
- Fresh trees need to be watered daily.
- When placing lights & decoration on the tree, make sure the combustible decorations are not touching a light bulb. Even those miniature lights get hot.
- Check all artificial trees for testing labels such as UL.
- Please contact the Fire Department or visit www.NFPA.org for more fire safety information.

LOWE'S DONATES TO THE SMOKE ALARM ASSISTANCE PROGRAM

Since the 90's, the Live Oak Fire Department has provided smoke detectors to qualifying residents in the past with the assistance from generous donors like Wayne Wright, Attorney at Law. This program has thrived over the years because of these generous donors. This year, the Fire Department is pleased to announce that Lowe's #1625 located at O'Connor Road and IH 35 has partnered with the City to continue this great lifesaving program. Lt. Chris Everett and the entire Live Oak Fire Department would like to sincerely thank the team at Lowe's and Manager John Arcos for their continued support.

The Live Oak Police Department will be conducting "Operation Grinch" in retail areas of the city this Christmas Season. We will be out in force with high visibility and undercover units patrolling these areas for your protection. Your safety is our concern. Remember that we also need your help. A partnership between citizens and police is the best crime deterrent. **If you see criminal or suspicious activities please report it to the Live Oak Police Department at 210-653-0033 or call 911 in emergency situations. Don't let the Grinch steal Christmas.**

BLUE SANTA IS COMING TO TOWN

The months of November and December bring the holiday season. Family gatherings, traveling and busy schedules are the norm for many people during this time. Even though many of us become very busy during this time, it is important to remember that the safety of your family and home are critical. If you are traveling, remember to have a friend or neighbor watch your home and pick up any newspapers or packages that have been delivered to your door. If possible, have interior lights on a timer to keep the appearance of activity in the home. Also, contact the Live Oak Police to place your home on the "Out of Town Watch" list. While out shopping be aware of your surroundings. Watch for suspicious behavior or activity such as people who may be watching you leave your vehicle or a business, or someone looking into parked vehicles. Be sure to secure your vehicle. Make sure your vehicle is locked and any valuables, bags or packages are out of sight. If you are out at night be sure to park your vehicle or walk in well-lit areas. Happy Holidays from the Live Oak Police, Emergency Tele-communicators and support staff!

LOCAP, is again helping to bring Blue Santa to Live Oak this holiday season!

THREE TYPES OF STORMWATER POLLUTION

"Only Rain in the Drain"

All types end up discharging into waterways as sediment, sludge and solids. These can be caught in expensive stormwater treatment filters, but the most effective way to reduce this problem is to prevent pollution from entering the stormwater system in the first place.

- Litter, such as cigarette butts, cans, paper or plastic bags (sometimes called gross pollutants)
- Chemical Pollution, such as detergents, oil or fertilizers
- Natural Pollution, such as leaves, garden clippings, animal droppings, sediment and silt

HOUSEHOLD HAZARDOUS WASTE DISPOSAL

Do you have old paint, pesticides, herbicides, batteries or fluorescent light bulbs; electronic waste such as computers, monitors and laptops, that need to be

disposed of? **Live Oak residents please call 1-800-HHW-PKUP (1-800-449-7587).**

TROUT FISHING

In December or January, Rainbow Trout will be stocked in the Live Oak Pond by the Texas Parks & Wildlife Department. The pond is adjacent to the lake; enter from the City Park Lake access at Lone Shadow/Lazy Forest Dr. Corn kernels, garlic cheese, and salmon eggs make great bait. Appropriate License and bag limits apply. Check Marquees for fish arrival dates.

SAVE MONEY \$\$\$ ALL YEAR

Conserving water during December, January and February will save you money all year on your sewer rate.

PRESERVING OUR PARKS Celebrating Arbor Day!

Many trees in the Main Park have a short life expectancy due to pests and diseases. Terry Mayfield and Wayne Trammel from our Parks Department saw there was a need to plant more trees in the park to ensure the city would have healthy trees and a wonderful habitat for people and wildlife for generations to come. To achieve this goal, they collected seeds, solicited tree donations and gathered information from area organizations such as Texas A&M Forestry Services, Lake View College, San Antonio River Authority, International Society of Arboriculture, Acorn Project of Crestview Elementary, employees and you, the citizens of Live Oak.

ROYAL EMPRESS TREES WERE 2" TREES WHEN PLANTED ONLY TWO YEARS AGO. THEY NOW PROVIDE SHADE OVER A NEW TRAIL AND SIDEWALK AREA.

The goal was to grow a variety of trees to plant in the City Parks and to supply trees for adoption each year at our Arbor Day event. Terry and Wayne set out to achieve their set goals by creating a small tree

propagation farm behind at the park facility. In the year of the tree farm's existence, approximately 700 trees have been propagated. The trees will be allowed to grow to the height of 4 to 6 feet before planting to ensure a better survival rate. Currently, they have plant sizes ranging from seedlings up to 10 gallon pots. The City usually budgets enough to buy and plant approximately twenty trees per year. This tree project will save the City a considerable amount of money while also supplying a larger volume of healthy trees to our community parks and surrounding city facilities.

The tree inventory is being increased to include a variety of regional trees consisting of twelve (12) hardwood, twelve (12) ornamental and fruit tree varieties. To better manage the labor of watering, staff installed a drip line irrigation system in several areas of the tree farm.

Whether they are at work, a restaurant, a park, a hospital or cemetery, Wayne and Terry are always collecting seeds. If all goes well, the benefits of the Live Oak Tree Farm will ensure a healthy urban forest for the City of Live Oak for many generations to enjoy.

“Longtime Resident Finds New Home”

Some of you may know this beautiful lady that roamed the streets for quite some time known as “Mama Dog” finally found a home. Mama Dog spent 14 months running the streets of Live Oak before finally being apprehended by ACO’s Derrick and Terry.

As one of the smartest dogs on the streets, she knew where to go and knew where to hide to avoid animal

control. In the 14 months that Mama Dog ran the streets, she had two litters of puppies at two different locations which were discovered in residential backyards. As all good moms do, Mama Dog found the safest places to give birth to her puppies. Even though she was a great mother, she couldn’t keep her puppies from revealing her secret locations. Her first location was on Moss Hollow underneath a resident’s shed, who heard the sounds of whimpering and barking. On January 30, 2015, eleven puppies were rescued by ACO Derrick and ACO Cathy from underneath this shed. An attempt was made to apprehend Mama Dog, but with her ninja-like skills

she managed to sneak by us, but not before biting through ACO Derrick’s jacket and ACO Terry’s pant leg. With her puppies’ safe and sound at our facility, we did not give up in trying to locate Mama Dog. After tracking her for several months, we discovered she was pregnant again. With a strategy in place, on November 3, 2015, Mama Dog and her second litter were finally apprehended from a resident’s back yard on Far West. Mama Dog was finally safe and off the streets in our facility where she was fed twice a day, safe from the elements and reunited with her pups.

The Humane Society of Live Oak donated money to get Mama Dog fully vetted in hopes to find her a home or a rescue. With the help of hometown hero Hilda Lafredo, on September 2, 2016, Mama Dog found a fur-ever home in Marion with plenty of room to run and play with horses, chickens and other dogs.

DEVELOPMENT SERVICES & CODE COMPLIANCE

One Stop Shop!

We receive several calls a week throughout the year inquiring about our location and directions

to our facility. Since the summer of 2008, we have been located at the corner of Shin Oak Drive and Oak Terrace Drive. The offices for Development Services which include Code Enforcement, Building Permits and the Building Official are all located within the Fire Department's main entrance under the clock tower. Development Services oversees the functions of building permits and inspections, plans review, code compliance investigations for complaints and violations, food handler's registration and permits, health complaints, commercial pool permits and inspections, annual registrations renewals for contractors, and certificate of occupancy for commercial businesses. Because we are located inside the Fire Department, our proximity allows us to work closely with the Fire Marshal during the initial building and annual

inspections for both commercial and residential properties. We like to consider our department a "one-stop shop" for your convenience!

If you have any questions or concerns about Development Services or Code Enforcement, please feel free to stop by and have a cup of coffee with us so we can discuss your issue or call us at 653-9140, extension 244!
